I just called Brian from Praxair; he called the driver and he is delayed due to other deliveries. The driver's ETA would be for 3pm today; they apologized for the inconvenience. If you need me to reschedule, let me know.

Carmen,
Please call the Liquid Nitrogen vendor for NFB and request a delivery swap. Let us know when they can be there to do the swap.

Thanks

Hi guys. Can you please order a canister of liquid nitrogen for NFB? Chad is there now and will be at site tomorrow to receive.

Thanks.
